Dear (name of principal):

I am the parent of (name of student), a student at your school. I have concerns that my child may have a disability that is in need of special education services. Currently, my child has a disabling condition under the 504 of the Rehabilitation Act. However, I am requesting that my child be assessed for special education under the Individuals with Disabilities Education Act (IDEA). I am also requesting that any further general education interventions that the school would like to try, not slow down the timelines established for the evaluation process.

I understand that I can expect to receive a response to my request within 15 school days of your receipt of this request and that I will be required to give my written consent for the evaluation at that time or I will receive notice of my procedural safeguards that explains my rights under the law. I look forward to receiving your response and the consent form as soon as possible so that we can proceed.

I also understand that the evaluation must be completed within 45 school days from the date the school district receives signed consent for evaluation. I also understand that, because I consented to the evaluation at least 35 school days before the last instructional day of the school year, but less than 45 schools days, the evaluation must be completed and the report provided to me by June 30th.

Then, not later than the 15th school day of next school year, the CST will meet to review the results of the evaluation and determine eligibility.

Please contact me within five days of this request to sign consent forms to evaluate my child.

Thank you for your help.

Sincerely,
